INCORPORATION LEADS 6 TO 1 IN STRAW TALLY

C of C Ends Successful Member Drive Studies Local Trading Stamp Plan

Campbell Chamber of Commerce ended its three-week membership drive Wednesday with a total of 18 new members signed up in three of the districts, and more expected from the other three districts whose closing reports are awaited. Those districts whose reports are still to be submitted are: special areas, Central Avenue to First Street, and district east of the railroad tracks.

When the chamber's executive board meets Monday at 8 p. m. in the Campbell Press building, most important item on the agenda will be the report of the retail stamp-survey committee, which consists of Harold Estensen, chairman, G. E. Jeffers, Cel Gerevas, Frank Accardi and Forrest Reese. The group spent Tuesday of this week in Alameda conferring with officers of the Alameda Merchant's Stamp Saving Association, Inc.

Walt Flanagan, president of the association and owner of Walt's Men's Store in Alameda, indicated use of the local trading stamp had contributed materially to his business. He has been a member of the association for 21 years. The Alameda stamp has been in existence since 1921.

Secretary-treasurer of the stamp association is E. C. Borton, official in the American Trust Bank at Oakland, who has been secretary of the association since its formation. Borton will be asked to send constitution, by-laws and other materials to the Campbell group for study by the merchants.

Sixty Alameda merchants hold membership in the local organization which limits membership to independent merchants within the confines of Alameda. Stamps are redeemable only at the places of business of the participating merchants.

The Campbell committee is studying the plan in an effort to determine whether a similar organization could be successful in Campbell.

President Joaquin J. Payne will conduct the Monday evening board meeting at which the membership drive and office building reports will be submitted. Remodeling of the 19 S. First Street building is progressing, and the chamber hopes to establish its office there within the coming month.

To date, the sprinkler system has been installed by the Campbell Water Company, loam has been delivered by Ollie Jensen, paint for the exterior walls has been furnished by Nelson Grain and Supply, and its application is being completed by Hunt Foods, Inc., Los Gatos-Campbell Scavenger Company has contributed $20 toward completion of the remodeling.

(Continued on Page 8)

Mrs. Norma Kapp Named To Local School Position

Mrs. Norma Kapp, will replace Mrs. Helen Peterson as assistant coordinator of Campbell Union School District, District Superintendent William C. Henley's office announced this week.

Mrs. Kapp has been a teacher in San Jose elementary schools, including Gardner, M. R. Trace and Hester. She has been at Benjamin Cory School during the past year. Her resignation was received by the San Jose board of education last night.

Goodwill Industries Work Described

Work of the Goodwill Industries of Santa Clara County was described for Kiwanis Club members Tuesday noon by the Rev. Edwin Bowling, public relations director for the industries. Rev. Bowling, former minister of the Methodist Church of Campbell, illustrated his lecture with colored slides showing Goodwill Industires operations.

Processing of goods from time when they are picked up to the time of resale, was described by the speaker, who emphasized the manner in which the industries employ physically handicapped persons in various phases of the work. The entire organization is equipped with all materials necessary to completely rehabilitate clothing, shoes, furniture, toys and knick knacks for eventual resale, he said.

Dr. W. R. Morgan Home With Report On Kiwanis Conclave In St. Louis

Dr. Wyland R. Morgan of Campbell, lieutenant-governor of Division 12, California-Nevada-Hawaii District of Kiwanis International, returned here Tuesday with a report on the annual Kwanis International convention at St. Louis, Missouri. Dr. Morgan was a delegate from the Campbell Kiwanis Club and also attended sessions of the lieutenant-governors' group at the convention.

Don Murdock of Canada, international president, presided at the convention sessions in Kiel Auditorium, St. Louis. Before the conclave ended, Claude Hellman of Baltimore, Maryland, was elected to succeed Murdoch as president.

Among the speakers at the convention were Senator Herbert R. O'Connor of Maryland, head of the Senate Crime Investigating Committee, who spoke on "Drug Addiction Among the Youth of the Nation"; Dr. Arthur H. Compton of Washington University, St. Louis, and Chief Justice E. K. Williams, Winnipeg, Manitoba, Canada.

Dr. Morgan was accompanied by Mrs. Morgan and their son, Gene, who attended special events planned for the women and junior guests. Gene joined an excursion to the Merrimac Caves, and also toured the FBI bureau in St. Louis, rated second only to that in Washington, D. C.

The Morgans took the convention train from San Jose two weeks ago, travelling to Portland, Oregon, and Seattle, Washington, then by boat to Victoria, B. C., and back to Seattle, across Montana, by train, then by bus through Glacier National Park, on to North Dakota, St. Paul, Minnesota, and finally, St. Louis. On the return trip, the three from Campbell spent two days at New Orleans, then boarded the Sunset Limited for home.

CAMBRIAN-UNION CIVIL DEFENSE ZONE FORMED UNDER DR. ROBERT M. WADE

Formation of County Civil Defense zone 16, comprising the Cambrian-Union district, and adjoining the Campbell Civil Defense zone, was announced this week by Dr. Robert M. Wade, coordiator for Zone 16. Residents of the district are urged to clip this story for future reference, since telephone numbers and/or addresses of all zone officers are listed. Wade's phone is Campbell 2380.

Deputy coordinator is O. G. Hunt, Route 1, Box 160, phone Campbell 4193.

Other zone officials named by Dr. Wade are: Forrest Reese, Sheriff's captain, Campbell 3303; John Clements, 167 Redding Road, alternate captain; Ed Carman, Carman's Nursery, Campbell 2591, area warden.

ZONE DISTRICTS

The zone has been divided into five districts, each district headed by a warden. District boundaries and the wardens are, One, Los Gatos Creek, Woodard Road, Railroad Avenue, and a north-south line running from the creek down parallel to and way between Roos Avenue and Kirk road, then turning southwest to intersect with Camden Road; Guy Gibbs, warden, San Jose-Los Gatos Road, Campbell 3280.

District Two, Camden Avenue, Branham Avenue, Los Gatos-Almaden Road, National Avenue, San Jose-Los Gatos Road, Woodard Road and Railroad Avenue; Joe Ticnor, warden, 10 New Jersey Avenue, Campbell 2831.

District Three, Los Gatos Creek, Whiteoaks Road, National Avenue, Blossom Hill Road, Roberts Road; Ed Carhart, warden, 1038 Mozart Avenue, ElGato 4-5324.

District Four, Blossom Hill Road, Roberts Road, Pine Avenue, then a line directly south to intersect an east-west line crossing the southerly ends of Hill Road and Cypress Way, due east to north-south line running from the intersection fo Blossom Hill Road and Camino Del Cerro; H. R. Lyone, warden, 37 Shannon Road, ElGato 4-3776.

District Five, Los Gatos-Almaden Road east and south to Hicks Road, south to the northerly end of Wagner Road, then west to the south east corner of District Four, then north to Blossom Hill Road; Paul M. Ridley, warden, Route 1, Box 1101, Los Gatos, ElGato 4-5593.

FIRE CHIEF

Earl Connor, ElGato 4-5202, veteran of six years experience with the Albany Fire Department, was named zone fire chief.

Volunteers are needed for the offices of traffic captain and committee, and engineers for each of the districts. Persons trained in Red Cross work, especially in first aid, are asked to volunteer; plus others for posts of block wardens and assistants to all the above named officers. In addition, the civil defense zone needs a minimum of five men to attend the radiation monitor school to be conducted in San Francisco in August.

Volunteers are asked to contact Dr. Wade or Hunt.

Many of the questionnaires on civil defense, which were distributed through the Union and Cambrian schools, have not been returned. Since schools are closed, residents should turn in the completed questionnaires at the Cambrian Fire Station.

UNION AVENUE CONDITIONS IRK AREA RESIDENTS

Cambrian and Union district residents have petitioned the County Board of Supervisors asking that Union Avenue conditions be cleaned up. In a 131-name petition submitted to the board Monday, residents of the "Cambrian-Union Improvement District" asked for action on resurfacing of the street which has become a series of chuck holes and just plain holes.

Fifth District Supervisor Earl C. Campbell told fellow board members that the county plans to resurface the street after sewer installation work there is completed. He added that the street was torn up for the sewer project, and the contractor has been slow in repairing the road.

Petition was referred to County Road Commissioner Robert B. Chandler and board of directors of County Sanitation District Four.

Opinion Poll Brings Remarkable Returns; Sentiment Favors Local Government

Campbell residents have indicated by a majority of about six to one, that they favor incorporation of the community. Votes in the straw ballot continue to pour in to the office of L. W. Harmon, clerk of the opinion poll, yet the 6-1 ratio, established early this week when ballots began to come at an appreciable rate, has been maintained.

To date, Harmon has received 814 votes, with the following readings: yes, 691; no, 117; undecided, 6.

The returns from the straw ballots, according to Harmon are very uniformly scattered over the entire district, illustarting, in his opinion that the interest in incorporation is not centered in Campbell proper, but also is of vital interest to residents of San Tomas and Cambrian districts.

Meanwhile, volunteers have begun the task of gathering available data on incorporation from other recently incorporated cities on a size comparable to that of Campbell. Harmon met with Capitola officials on Friday, and collected data on necessary preliminary procedure, petitions, and city government structure.

Herbert M. Shadle collected similar information during a visit to Morgan Hill.

Approximately 30 local independent citizens have volunteered to serve on a committee to study incorporation and gather what facts they can to present at the first of a series of public meetings to be called within coming weeks. Names of the committee will be announced in the next issue of the Campbell Press.

Harmon indicated that the straw ballot returns are far ahead of the 10 percent reply expected, and more ballots are being received by him in each mail delivery. He urged every resident of Campbell to express his opinion on the issue by returning his ballot as soon as possible. "We want to have a true picture of the wishes of the residents before taking a decisive step," he explained.

Elsewhere on the incorporation front, the State Senate before adjournment, recently voted to refer the bill on taxation of urban unincorporated areas to an interim committee for further study, after senators in a voice vote, turned down the do pass recommendation given the bill by the senate committee on local government.

Fifth District Supervisor Earl C. Campbell stated this week that he believes the League of California Cities, which sponsors the bill, and the opposing Board of Supervisors Association, will be able to iron out their differences and have the bill passed in amended form.

POLICE AID

Campbell's statement was made after the Monday meeting of the county supervisors during which Sheriff Howard Hornbuckle's request that the county subsidize the Campbell Private Police Patrol was taken under submission for further study. A special meeting has been called for Monday at 10 a. m. in the Board of Supervisors Chamber, San Jose. Members of the Campbell Chamber of Commerce merchant patrol have issued an open invitation to all persons interested in the policing issue to attend the meeting.

Hornbuckle has requested the

(Continued on Page 8)

DR. T. P. McNIFF TO OPEN LOCAL MEDICAL OFFICES

Dr. Thomas P. McNiff will open offices for general medical practice in Campbell next week in the Medical Building, Harrison and E. Campbell Avenues.

Dr. McNiff was born in British Columbia, Canada, and spent several years in Alaska before coming to the United States to study medicine in 1936. He received his bachelor's degree from San Jose State College, after which he spent four years in the Army Air Force during World War II.

After the war, he continued his medical education at Stanford University, where he received his degree of doctor of medicine. Dr. McNiff served his internship at Santa Clara County Hospital and, since then, has been resident in surgery there.

He plans to conduct a general practice and hopes to open his office by July 5.

Dr. and Mrs. McNiff and their five children live at 621 Audrey Avenue, Campbell.

Elementary School Costs Increase, Say Taxpayers

Elementary school cost per pupil for the 2,292 pupils in average daily attendance in the Campbell Union elementary school district averaged $168.76 for 1949-50, compared with $155.93 per pupil for the 1,996 attendance of 1948-49, California Taxpayers' association reported today. Data shown are the latest available.

Teacher salaries in the district averaged $111.37 per pupil for 1949-50, compared with $105.46 for 1948-49.

Other current costs in the district, excluding transportation, averaged $48.85 per pupil for 1949-50, compared with $43.34 for 1948-49.

Transportation costs for the district averaged $8.54 per pupil for 1949-50, compared with $7.13 for 1948-49.

"Public school costs are, generally speaking, increasing faster than school population is growing," the taxpayers association declared, pointing out that school costs per pupil for 1949-50 were higher than for 1948-49 in almost every district in California.

"Decisions on school budgets for 1951-52 are being made by local boards of education throughout California," the taxpayers' organization said.

"Taxpayers should let their local school trustees know their ideas on school spending right now—rather than waiting until the public hearings come around in August.

"The school budget needs tightennig up—just as the taxpayer is having to tighten his belt to pay for preparedness."

Fire Board Approves Draft Of District Budget

Preliminary budget for the ensuing fiscal year was adopted at a meeting of the Board of Fire Commissionetrs of the Campbell Fire District this month. The preliminary draft will be available for inspection by interested taxpayers on Monday, July 9, at the fire house on Central Avenue.

Adoption of the final budget will be the main business of the board meeting on Monday, July 30, at the firehouse. Taxpayers may attend the meeting and voice proposals for increase, decrease, omission or inclusion of any item on the budget.

Judge Sentences San Joseans On Drunk Charges

Two San Jose auto court residents, Mildred Josephine Smart and Lloyd R. Holt, both of 745 Race Street, were sentenced on drunk charges Tuesday by Justice of the Peace Martin S. Walsh.

The woman was arrested June 25 by Officer Cliff Gerlack of the California Highway Patrol and charged with drunk driving on Winchester Road at Campbell Avenue, following an accident. She was sentenced to 40 days or $200 fine and six months suspension of the driver's license. She was unable to pay the fine and was taken to Santa Clara County Jail by Matron May Smothers.

Holt, a passenger in the car, was charged with being drunk on a public highway. He was sentenced to five days in the county jail or $25 fine. Holt was unable to pay the fine and was taken to county jail by Officer Mariotti.

FIREMEN'S FUND FOR FURNITURE FEELING FLACCID

Contributions to the Campbell Volunteer Fire Department's fund to furnish the new fire house slacked off this week, with only six persons on the donations list. Firemen began to wonder whether they'd be able to buy more than a couple of chairs for the new building on Central Avenue, but hoped they'd have enough to seat at least some of the guests at the building's dedication on July 15.

As any homeowner knows if he's been furnishing a house these days, it takes a bit of cash to provide the tables and chairs for sitting and dining, and even more to cook and serve a meal. The volunteers, being just that, give their time to protect their community from fire damage, but they serve without pay. The firemen have put in what cash they could afford, and others in the community have donated, but it just isn't enough for the essential furnishings.

Contributors this week are Rhea's Golden Rule, Morning Light Lodge 42, IOOF, Attorney Martin S. Walsh, Guy E. Farley, realtor; Cannery Workers Union, local 679, and Accardi's Appliance Store.

Donations are being accepted at Jones Service Station, Humphrey and Zimmer Shell Service, Star Family Shoe Store, or may be handed to any member of the Volunteer Fire Department.

Civic Leaders Voice Support Of Campbell Incorporation Plan

Approval of the current Campbell incorporation study was voiced today by two well-known civic and county leaders this week in letters to L. W. Harmon, who is serving as secretary of the informal Fact Finding Committee on Incorporation.

The two are Herbert M. Shadle of Campbell, and Patrick H. Peabody. Shadle is chairman of the West Valley Hospital District executive committee, past master of the Orchard City Grange, past president of Campbell Kiwanis Club, former member of the County Planning Commission and member of the Campbell Sanitary District board. Peabody is chairman of the Santa Clara County Planning Commission, foreman of the current County Grand Jury, newspaper publisher and radio station owner.

Their letters follow and speak for themselves:

Mr. L. W. Harmon
Dear Mr. Harmon:

I have been informed, both through the Press and your personal conversations with people in Campbell, that a move is again under way to endeavor to incorporate the Campbell area.

As Chairman of the Santa Clara County Planning Commission, and also as one who is interested in the future of Santa Clara County I would strongly recommend that this incorporation be carried through successfully. Campbell has grown so extensively in recent years that it is no longer feasible to count on Santa Clara County to meet your needs. This is apparent in the policing problem which constantly arises, as well as many other things.

From the point of view of good physical planning, it seems to me it would be much better for an area the size of Campbell to have its own planning commission and make its own decisions as to the future zoning of the area than to rely on the Santa Clara County Planning Commission. The functions of the County Planning Commission are primarily to serve the rural areas and it can no longer be said that Campbell is part of our rural area.

I sincerely hope that a move to incorporate Campbell will be pushed along to a successful conclusion.

Very sincerely yours,
PATRICK H. PEABODY

June 27, 1951

Mr. L. W. Harmon,
Campbell Incorporation Committee
Dear Les:

I note that incorporation is again being discussed for the Campbell area. Personally I have always favored such a move. To think that we are not able to carry on as a city is very negative thinking.

I have recently contacted officials of two small cities that are in no way comparable to our situation, and they are both getting along very well. Government at the local level is by far the best way to make democracy work.

Bills were presented to the Legislature at this session, that, if passed, would put unincorporated communities in a very deplorable condition. Charlie Gubser, Assemblyman from our district, thinks they will eventually become law. What then? We either are swalowed up by neighboring cities, or our County form of government is destroyed.

Let's look at this thing realistically. The tendency now is for government to come from the top down. We would have a very small part in our own affairs if we annexed to a neighboring large city. We can operate our own business more economically with less "politics", and lots more satisfaction, than any other way that I can think of.

The area of the proposed city should be large enough to give a good tax base. All functions of the city should be under one governing body. Clean, clear headed, men, or women, should be elected to the official positions. We have as fine a group of citizens living here as can be found anywhere. Agricultural areas that would be part of the municipality should only be taxed as the land is used for city purposes.

Thanks for this opportunity to say just a few things that I have been thinking about for a long time.

Sincerely yours,
HERBERT M. SHADLE

Campbell Register

Another granddaughter for MR. AND MRS. E. C. MERRILL of Campbell, was born yesterday morning, June 28, in Merced Hospital, to MR. AND MRS. GEORGE WILBUR ROBINSON. Mrs. Robinson is the former Elsie Merrill, a native of Campbell. The new arrival has a sister, Carol Sue, two and a half years old. The paternal grandparents are Mr. and Mrs. G. A. Robinson of Merced.

MRS. CLAUDINE E. HANCOCK of El Caminito Way, has as her houseguest for the summer her sister, MRS. HARRIET A. SMITH, a teacher at Palo Colorado near Carmel.

MRS. ALICE HALL of 62 S. Second Street will spend the next three months traveling around the United States, and visiting relatives in various parts of the country. Her first stop will be in Washington, D. C., where she will be the guest of her son, Colonel Byron Hall, and his family. Colonel Hall is stationed at the Pentagon. Later she will go to Maitland, Florida, for a reunion with her brother, William Reed, whom she has not seen for 40 years. On the way west, again, Mrs. Hall will visit with her sisters in Brownville, Tennessee, and Fort Worth, Texas.

Off for four days of trout fishing on the Feather River are two local father and son teams. The four, MR. WILLIAM C. HENLEY and JERRY HENLEY, and MR. LEE ANDERSON and GENE ANDERSON, left Wednesday night and are expected to return Saturday night. Jerry Henley will leave on the folowing day for Boy Scout camp in the Sierras above Sonora. During the balance of the summer, the Henleys plan to spend as many weekends as possible at the coast.

MR. AND MRS. EDWIN B. PARKER are entertaining MRS. EDGAR BLAIR of Florida and Connecticut for a few weeks. Mrs. Blair's travel itinerary includes a visit to Alaska, after she concludes her Campbell visit at the end of July.

MR. AND MRS. GEORGE R. STRAY of Chino, and their son, PHILIP, are guests of Mr. Stray's sister, MISS HELEN STRAY of Campbell, for two weeks. The Strays came up to enter their son, WALTER, in Stanford University summer session. Mrs. Stray is the daughter of MR. GEORGE S. ROBSON, who is currently visiting in England.

SGT. DICK MATUZEK, U. S. Air Force, was a visitor in Campbell this week at the home of his brother and sister-in-law, MR. AND MRS. WILLIAM T. MATUZEK of 575 S. McGlincey Lane. Sgt. Matuzek left Wednesday to return to his Air Force station in Florida.

MRS. WILLIAM H. ASH and MRS. HANLEY H. MURRAY spent three days of this week at Santa Cruz, returning to Campbell Thursday evening. Mr. Ash joined the two at the seaside Thursday for dinner, before driving them home. During Mrs. Ash's absence, Mrs. C. W. Johnson of San Jose grandmother of Mr. Ash, stayed wth young Pamela Ash, age four.

MR. AND MRS. PAUL VAN GORKOM of Redwood City and their three children visited here Sunday with Mr. Van Gorkom's parents, MR. AND MRS. C. C. VAN GORKOM of Sunnyvale Avenue.

THEODORA JOHNSON

Community Club To Elect Officers For 1951-52 Term

Campbell Community Club will have its next regular meeting at the home of Mrs. Arthur Cowdery, at which time new officers will be elected. Mrs. Wayne Thompson will be co-hostess for the meeting.

Club members and their guests enjoyed a luncheon party recently at the home of Mrs. William Beyer in Campbell. The buffet table was decorated with an arrangement of pink hydrangeas, and each card table held a dainty floral appointment.

Guests attending were Mesdames Frank Richardson, Arthur Thompson, James Agends, Robert Swan, M. Rogers, Bruce Cooper, Junior Morgan, Robert Durham, Charles Griffiths and the Misses Frances Wilcox and Barbara Parker.

Members present were Mesdames George Egling, Allen York, Donald York, Verlyn Fellman, Hector Daves, Richard Drew, Wayne Thompson, Arthur Cowdery, Verle Grizzle, Thayer Lyons, George Miller, Reese Parker, Robert Boltz, Bert Robinson, Donald Lantz, William Beyer and Miss Marilyn Toy.

A surprise shower was given by the club recently in honor of Mrs. George Miller and Mrs. Wayne Thompson. The event was incorporated with the kidnap breakfast at the home of Mrs. Donald York in Los Gatos.

MRS. JANE SELIG of San Francisco will spend the July 4 weekend in Campbell with her nephew and his wife, MR. AND MRS. S. L. SELIG of Rincon Avenue.

MR. WILLIS GREEN was in Campbell this week to visit his parents, MR. AND MRS. GEORGE GREEN of 141 E. Casey Road, and his grandmother, MRS. MARY WOOLDRIDGE, who celebrated her 82nd birthday Sunday. The visitor granduated from Campbell High School and took a radio course at San Jose State College. He is now radio engineer for KWIE at Kennewick, Washington. His wife and two sons remained in Kennewick.

MRS. EMILY DUNCAN, mother of MRS. I. O. McCONNELL, is reported to be showing some improvement since her recent serious illness. Mrs. Duncan is at the Jorgenson Nursing home on Riverside Drive, San Jose.

MR. AND MRS. CARL FIELD and their daughter, MARY SUE, are expected to return from their holiday at Lake Tahoe this weekend.

Here for their annual summer stay at their home on Alice Avenue are the MISSES ETHEL AND LURENA MERRIMAN and MRS. MARILLA GUILD of Tucson, Arizona. The three are aunts of Mrs. V. B. Royce.

MISS JEANETTE COLLINS left Friday for Mexico City and a two-month holiday. She will tour Mexico and will return to Campbell by auto with the de Rollins of Santa Monica. Mrs. de Rollin is the former Dorothy Collins, Campbell High School graduate.

JUSTICE OF THE PEACE MARTIN S. WALSH and MRS. WALSH attended the Ice Follies in San Francisco Saturday evening.

MR. AND MRS. FRANKLIN BLAINE and their two sons have returned to Campbell after slightly more than a year's absence. Mr. Blaine has sold out his interest in the cannery at Idabelle, Oklahoma, in which he was a partner, and is now associated with Hunt Foods in Campbell. Mrs. Blaine will teach at Moorpark School this fall. Allen, 14, will enter the sophomore class at Campbell Union High School. Richard will be four years old in July. The Blaines have been stopping temporarily with Mrs. Blaine's aunt, Mrs. A. J. Harness of N. First Street. They will move into their own home on Fourth Street this weekend. The HOWARD G. KIRK'S, who have been occupying the Blaine house, are moving to a house on Second Street.

MR. AND MRS. V. B. ROYCE are making plans to weekend at their cabin near Felton later this summer.

SMORGASBORD LUNCHEON SET BY STAR CIRCLE

Star Circle of Campbell will sponsor a smorgasbord luncheon on Friday, July 6 at the IOOF Hall from 11:30 a. m. to 1:30 p. m. The public is invited to attend this fund raising event. Price of the luncheon will be $1.25 per person.

Mrs. Earl Buck is the chairman, assisted by Mesdames Thomas Daugherty, Carl Stearns and L. C. Schaper.

Plans for the smorgasbord event were discussed at a gathering of the circle last Friday at the home of Mrs. Vernon Suess on Rosemary lane. Potluck luncheon was served in the garden, with Mrs. Walter Elkey and Mrs. Arthur Aker assisting the hostess.

Present were Mesdames O. L. Kaufmann, Don Hartman, George Hartwell, Ida D. Currie, H. P. Algar, Frances Swayne, A. C. Currie, F. L. Wiscavage, C. E. Hancock, G. E. Jeffers, J. C. Agostinho, Clara Baldwin.

Mesdames A. J. Aker, Vernon Suess, Edwin Loudon, R. E. Schaefle, Walter Elkey, Carl Stearns, H. G. Kirk, Margaret Parr, Edwin Parker, and Miss Deana Stearns.

Visitors were Mrs. Edgar Blair of Florida and Connecticut, a guest of Mrs. Edwin Parker; Mrs. F. S. Powell, a guest of Mrs. Agostinho, and Mrs. Harriet A. Smith, of Carmel, guest of Mrs. Hancock.

Garden Club Hears Speaker On Landscaping

July 4 meeting of the Campbell Garden Club, Inc., has been postponed. Next regular meeting is scheduled for July 18. There will be a guest speaker.

At this week's session in the library hall, Mr. Joseph Stevenson of San Jose State College spoke on "Home Landscaping". Important points to be considered in landscaping of the home is suitability to type of architecture, to the personality of the people living in the house, and the picture one wishes to create for the passerby. He stressed that there should be no scrimping in the permanent landscaping and that simplicity is the best rule. Create illusions by height, texture and color, he advised.

Mrs. J. Norman Corvello presided. Mrs. Barth O'Brien was welcomed back after her recent illness.

Sigma Sigma Sale This Weekend

Sigma Sigma group will have its rummage sale today and tomorrow at the old Campbell Market on Campbell Avenue next to Field's Grocery. Hours will be from 9 a. m. to 5:30 p. m.

FRANCES J. CARR, S. F. utilities exec. — "Deliberate underassessment for property taxes is a vicious practice that discriminates among taxpayers, creates difficulties for government, and, finally defeats itself."

Business Women To Welcome New Club Members

New members will be welcomed at the July 11 meeting of the Business and Professional Women's Club of Campbell. Emblem chairman Blanche Gilpatrick and her committee, together with Membership chairman Eva Grattan and her committee, will have charge of the welcoming.

At the club meeting Wednesday evening of this week, plans were discussed to devote an entire meeting to the discussion of incorporation. President Dorothy Ellis conducted the meeting for which Mae Greaves, health and safety committee head, was chairman.

Entertainment for the evening consisted of a movie, "Journey Into Medicine", which traces a physician's journey with disease and stressed need to observe necessary precautions to properly innoculate a small child against childhood diseases.

During the business meeting, Ellen Lanphear and Alma Fanning reported on the regional convention held recetly in Seaside, Oregon. Edith Anderson and Dorothy Ellis gave details of the recent state convention in Coronado which was attended by 800 members. Further report on the conclave will be given at a later date.

Thelma Solari announced plans for the interclub meeting in August. This will be a barbecue, with Campbell, Las Tres Bes, Willow Glen, Mountain View, Sunnyvale and Los Gatos clubs participating.

A special meeting will be held July 17 at 7:30 p. m. at the home of Jo Wagner, president of the San Jose BPWC, when plans will be discussed for the forthcoming Small Business Clinic. This will be held in San Jose during Business and Professional Women's Week in September. All clubs are invited to send representatives. The president, public affairs and news service chairmen of BPW clubs in surrounding communities are asked to attend the July 17 meeting. Delegates from the Campbell club will be Irene Hodges, Ellen Lanphear, Alma Fanning and Lucille Barnes.

Cobb-Brinson Nuptials Held At Westside Chapel

Milan Cobb of Campbell and Mavdline Brinson, daughter of Mrs. Elizabeth Jackson of San Jose, exchanged marriage vows recently at Westside Nazarene Chapel, San Jose. The Rev. Charles Croft officiated at the informal candelight ceremony.

The couple have chosen San Jose for their future home, following a honeymoon in Palm Springs and Mexico.

The bride was attired in a light blue suit accented with navy blue and white accessories, and she wore an orchid corsage. Her honor attendant was Mrs. Roy Fenley of Burns, Oregon, who wore a navy blue suit and corsage of pink carnations and bouvardia.

Roy Lowry of San Jose attended the bridegroom. Ushers were Jim Shouse and Robert Espee.

The reception was attended by relatives and close friends of the young couple. Mrs. Rex Cobb of Campbell is the mother of the bridegroom.

How Would You Like to Have the
SAN JOSE WATER WORKS
Pay Your Water Bill?
★
If You Are Mr. Average Customer
Your Water Bill Is
Around $41.31 per Year
★
The common stock of San Jose Water Works is currently paying annual dividends of $2.00 per share. The dividends from 21 shares would provide an income of $42 per year.
It would cost you about $699 to purchase 21 shares, and your investment would be earning a return of 6 percent.

State Legislature Actions Outlined For Orchard Grange

Harry Barnes, executive committeeman for the State Grange, gave a report on the just completed state legislature session, during the meeting of Orchard City Grange Tuesday evening in the IOOF Hall. Master George Shattuck presided.

Barnes reported on several bills which were passed by the legislature and which affect the farmers. One of these was the Thompson bill on water districts. Another bill which would have permitted 40-foot trailers on the highways was defeated. The school appropriation was cut from $43,000,000 to $13,000,000, he stated. The law to license lobbyists proved to be a disappointment, said Barnes, for instead of discouraging the lobbyists the measure has given liquor, gambling and utility interests a green light to control of the legislature.

Mrs. Lavina Grattan was awarded an honorary life membership in the Grange. Melvin Blue, gate keeper of the organization, was commended upon his induction into military service. His Grange dues will be omitted during his military service.

Eleven members have subscribed to the National Grange Monthly. The county program for eradication of thistles was endorsed by the grange. Members learned that the Grange Business Organization is in better financial condition. Grangers may buy tires, batteries, and petroleum products through Associated Oil Company.

An autocade of 34 members, 24 from Orchard City, 2 from Mt. Hamilton and 8 from Cupertino, visited Live Oak Grange in Santa Cruz on June 19. Their surprise visit repayed the Live Oak group's visit to Orchard City a few weeks ago. The entire group entered the hall at one time after Live Oak meeting had begun. The visiting women furnished refreshments consisting of sandwiches and home made cakes.

During the lecture program conducted by A. J. Emery, Arlene Cook, niece of Mrs. Josephine Biller, performed acrobatic, toe and tap dances. Virginia Rutherford accompanied her at the piano.

COMING EVENTS

Under coming events, Leone Keesling announced a pie social for the Grange on July 10. Each woman is asked to provide a pie. Folk dancing to the music of Mervyn Keesling is on the program.

A rummage sale is planned. Date will be announced later.

Pomona ladies choir, with Virginia Rutherford directing, will meet at Leone Keesling's on July 3 for rehearsal.

A joint picnic of Almaden and Orchard City Grangers will be held at the Matasci Ranch on July 4.

Decorations for the evening were furnished by Mesdames Brandt, Helmbold, Stojanovich and Rexroat, who also served refreshments.

Fireworks Ban

Fourth of July celebrants were warned this week to heed the state law prohibiting use of dangerous fireworks. Chief Fred Luhring of the County Fire Protection District, said state law prohibits use of torpedoes, firecrackers, roman candles, sparklers, and similar materials.

A few items are permitted by the law. Further information may be obtained by calling Luhring at CY4-2234.

HAND SIGNALS

It's a dangerous practice to overlook hand-signals, says the California State Automobile association. The only way the driver behind you has of knowing your intentions is through these signals. Use them in good weather and bad.

Train up a child in the way he should go; and then he will not depart from it. —Proverbs

"SMALL BUSINESS"

By C. WILSON HARDER

Thousands of letters have poured in from independent businessmen on the Supreme Court action on the Fair Trade Laws. "What can be done?" the majority of them ask.

* * *

For one thing, the National Federation of Independent Business, and other organizations, has taken steps to get new legislation introduced. Small businessmen can aid by writing their Congressman, demanding not only new legislation but also that the Federal Trade Commission immediately investigate and enforce all provisions of the Robinson Patman Act.

C. W. Harder

* * *

In writing Congressmen on the Fair Trade Laws it should be borne in mind that uncontrolled price cutting can throw the nation into a severe depression.

* * *

Naturally, the chaotic price wars of the past few weeks will eventually harm labor, but it is probably too much to ask that anybody in power in Washington today have vision beyond the ends of their noses.

* * *

Don't be blind to effect of this price war. It can do more to wreck economy of country; deliver all business into the hands of a few monopolies than the so-called "police action" in Korea.

* * *

And as usual, Washington is months behind. In face of price war, official talk is all on plans to combat rising prices. That's a smoke screen to hide other plans.

* * *

It will be up to the businessmen to bring order out of chaos. And while working for stronger Fair Trade Laws and a useful Federal Trade Commission there are several ways that businessmen can protect themselves.

* * *

Remember, in the states that have Fair Trade Laws the law can still be enforced. The only big upset by the court decision was that a Fair Trade Agreement is not binding unless the merchants agree in writing to uphold the manufacturer's price.

* * *

So, check with your suppliers. If your supplier has required distribution outlets to sign such an agreement, make sure the supplier enforces compliance.

* * *

If the suppliers have been lax in this respect, or have not required the agreement in writing, do not buy his merchandise except in small lots just to meet demands of your trade from day to day. You may lose some sales, but lost sales are better than lost inventory dollars.

* * *

Where you can, switch to lines that are not being dynamited by the big outfits. You can, with a little extra salesmanship, sell your customers different lines that have quality.

* * *

Insist on your suppliers selling you at a price that will enable you to meet the lowest price his line is being sold in your area.

* * *

For the immediate present, it will be well to follow this rule.

* * *

Keep your inventories as low as possible, even though it hurts, but as stated above, it will be better to lose sales, than lose inventory dollars.

* * *

These measures are for your short range protection. Your Congressman supported by organized small business can help you on long range protection.

* * *

So, write him, insisting that Fair Trade legislation be enacted immediately, and at the same time protest any vote toward any tax increase of any kind until such legislation is enacted.

©National Federation of Independent Business

Vineyardists Prepare Entries For Wine Judgings At 1951 State Fair

Wineries in all of California's famed vineyard districts have been invited to enter their wines in the annual wine judging that will highlight the 1951 California State Fair, August 30-September 9, at Sacramento.

This has become a tradition in the California wine country, where wine judgings have been a colorful part of California state fairs for almost a century. Since 1855, except during prohibition and war years, the vintages that maintain California's reputation for quality wines have been brought forth for official appraisal by experienced wine tasters. The success that California wines have had in these critical tastings is reflected in the large number of awards granted each year.

Since World War II, there has been a great revival of interest and participation in the state fair wine competitions. More than 600 entries are received each year, representing substantially all California wine types from Aleatico to Zinfandel. The scope of these annual judgings attests to the exceptional merit of California wines generally and to the high regard wine growers have for the state fair wine competitions.

Preparation for the yearly judgings, which are held just before the fair opens, is a time of anticipation and perplexity for the wine grower who must choose which wines to enter from among the many outstanding types and vintages aging in his cellars. This difficult decision must be made at the winery, because only one wine of each type may be submitted in a section in accordance with official rules and regulations.

Actually, the quandry of the wine grower exceeds that of the judges. True, the latter must choose from among the top selections of professional wine men, some of whom have devoted their lives to wine growing. But the judges, when unable to decide on the best from among several outstanding entries, have a pleasant alternative. They may give duplicate awards to exceptional wines of equal merit. And frequently do.

JUDGES ARE EXPERTS

The State Fair has selected the 1951 judges from among the outstanding wine tasters in North America. Professional wine growers, grape and wine experts and food technologists from the University of California and wine hobbyists with an expert's knowledge of wines are on the judging committees. Although most of the judges are from California, the committees include a wine grower from New York state and one from Canada.

In the state fair judgings, where awards are granted on a merit basis, prize-winning wines must pass rigid taste tests that exceed most commercial requirements. To win an award, entries must measure up to the unusually high standards that guide the production and judging of California wines. This gives wine growers another gauge with which to check the progress made from year to year in their production of superior wines.

In another sense, the wine judgings enhance the prestige and reputation of the fair because nowhere else in the United States, or perhaps in the world, is there a state-sponsored wine competition that compares with the one at Sacramento. To have wine judgings on such a large scale requires a wine industry that is a leading part of the state's agriculture. This is true in California where grapes and wine receive important consideration from the California State Agricultural Society which sponsors the fair.

Located throughout California's eight vineyard districts are almost 400 wineries from which will come the wines that compete and win awards in the 1951 judgings. There are representatives of some 135,000,000 gallons of wine produced annually in California where nearly nine-tenths of America's wines are grown. For that reason, the state fair wine judgings have national significance beyond that of most other competitions.

Few outside the wine industry know how carefully a wine is considered when it is entered in competition. In contrast to the judging of most other agricultural products, it must meet particular standards of excellence to qualify for a medal.

Wines entered in the state fair competition have their counterparts on sale to consumers throughout the nation. In one class, the special division, the wines to be judged are purchased at retail stores from alongside bottles of the same wine that the consumer-customer buys.

Because of this, wine consumers seem to have as much interest in the state fair judgings as the wine growers. For the grower, the awards place an official stamp of quality on his vintages. Wine lovers on the other hand, look to the judging results as further confirmation of the high quality of the wines grown in California.

Measles Up Again In Campbell, But Decrease In County

Eleven cases of measles and one case of rheumatic fever were reported in Campbell for the week ending June 23, according to the Santa Clara County Health Department. Total measles in the county was 50 cases, compared to seven for the corresponding week of 1950. Two measles cases were listed in Campbell for the previous week.

The 1951 measles epidemic in the county has reached a total to date of 2,597 cases, compared to a total of only 54 for the same date in 1950.

Number of cases of diseases reported in the county dropped sharply during the week, continuing a decline which began the previous week. Slackening of the measles epidemic accounted for the greatest part of the decline. Other diseases reported include: 2 chancroids, 6 chickenpox, 11 gonococcus infections, 3 mumps, 6 German measles, 12 syphilis and single cases of epilepsy, polio, rheumatic fever and scarlet fever.

The number of cases of venereal diseases was greater than the total for the previous week. It is usual to have a considerable variance from week to week in the numbers of these diseases.

Sport Scenes

By HAL BORCHERT

Old king football reared its handsome head and got into the news this week up in the metropolis as the announcement was made that five of the aspirants for the 1951 edition of the Spartan football machine had been declared ineligible. They were "academically disqualified" according to officials. The men were all newcomers to the Spartaville team havnig transferred in from other Western colleges and junior colleges.

Ruled ineligible were Dick Hadama, sophomore halfback from Honolulu; Lou Heckler, a tackle from Long Beach city college; Joe Grammatico, halfback from Monterey; John Gerard, quarterback from Hartnell college; and Ivar Jones, fullback from Menlo college.

BRONZAN TO OREGON?

Rumors were also flying this week to the effect that Bob Bronzan was being considered as one of the top candidates for the coaching job at the University of Oregon as replacement for recently resigned Jim Aiken. A San Francisco writer says this is for sure; however, Bronzan says he knows nothing about it and states that he has not even applied for the position.

Two spokesmen for the Campbell Kiwanis club, Fred Jones and Guy Farley, have gone on record as saying that the debt they owe to the Rotary club as a result of the recent softball game will soon be paid in the form of a dinner. This announcement came from a local ironmonger (that's English for a hardware dealer, he says) who pitched so effectively against the Kiwanis in the aforementioned game.

NO GAMES WEDNESDAY

Softball fans and players are reminded that there will be no games in the Senior loop on next Wednesday night because of the legal holiday. The games are scheduled for Friday night instead.

With the holiday coming up next week many people are probably planning an outing of some sort of another. We don't like to turn preacher in our column about safety but neither do we like to report accidents. So wherever you may go to enjoy the day, drive carefully and don't become a statistic.

FIREWORK DISPLAY

Fans who enjoy fireworks may get a pre-Fourth of July demonstration tomorrow night at the San Jose speedway. The display will be touched off immediately upon completion of the main event according to Promoter Bob Barkhimer.

Cel Gerevas, local iron monger, takes off Sunday with the family for a week of vacationing at Lake Tahoe. Cel says he hopes to get in some fishing time. Have no reports as to how they're bitting up in that country but anglers seem to be pulling them in over the rest of the state.

BACK YARD ANGLING

Even San Franciscans are dragging in trout without even leaving their own metropolis according to a recent report by the Division of Fish and Game. City men are doing their fishing before and after work at the municipally-owned emergency water supply, Lake Merced. More than 75,000 catchable sized trout were placed in the waters this year by the State agency. Nothing like having a lake full of fish in your own back yard.

WYATT TO ENGLAND

As a result of his fine performance in the AAU track meet at Berkeley last week, Herm Wyatt, San Jose State college high jumper, has been chosen to visit and compete in England this summer wearing the United States colors. Wyatt will travel with such well known track stars as Bob Chambers, former Los Gatos athlete now competing with the Los Angeles A. C., Ralph Fuchs, Yale shot putter and Gay Bryan, versatile star from Stanford.

Wyatt placed second in the AAU meet last week with a leap of six feet seven inches.

Other Spartans who placed in the AAU meet were George Mattos pole vaulter, and Bob McCullen, distance man.

Los Gatos Beats Campbell Juniors

Los Gatos Grammar school put on a three run spurt in the last of the fifth frame to break up a tie ball game and win over Campbell Hardware 9-6 in a Junior league contest on Tuesday night.

The winners overtook a 2-0 lead in the second frame with four runs on one hit and three walks. They added two more tallies in the fourth inning on two bingles and four free passes. They had the bases loaded with only one out but Pitcher Jim Hill fanned the next two men to get out of the jam.

Campbell came up with four runs in the top of the fifth to tie up the game but the new life was short lived when the Los Gatos boys scored their three big runs in the bottom of the frame.

Boggs was on the mound for the winners. He gave up two walks, struck out seven, and allowed 10 base knocks in registering the victory.

Pacing the Los Gatos attack at the plate was Third baseman Wilson who had two hits in two trips and scored two runs. Rightfielder Carona, who had one hit and two walks, crossed the plate three times for the victors.

Shortstop Allen, Thirdbaseman Strong and Shortcenter Olmetti all had two hits in three trips for the Hardwaremen.

Credited with the loss was Jim Hill who allowed only four hits but walked 12 men. He fanned six Los Gatos batters.

Campbell Hardware Dumps Oddfellows 4-2; Lose To Davenport Electric

Campbell Hardware's senior league team won when it counted last week and lost when it didn't hurt so much as they downed the Junior Oddfellows 4-2 in a league game and then dropped a 6-4 tilt to Davenport Electric in a non-league game.

Campbell Pitcher Ellison had the Oddfellows under control allowing nine scattered hits while fanning nine batters and walking one. He added his own cause at the plate with two hits in three trips to share batting honors with Leftfielder Barton and Shortstop Barrows who also connected for two bingles.

Campbell scored a pair of runs in the second and added two more in the fifth frame. The latter broke up a tie game and proved to be the winning tallies.

Harris was the big hitter for the losers with three hits in as many trips.

Davenport Electric scored early and often to grab the lead in their contest with the Hardwaremen and came up with the victory.

The visitors from Los Gatos tallied twice in the first frame on hits by Bullion, Walters and Green. Campbell countered with two runs in their half of the inning to tie the game but immediately went behind when Davenport scored again in the next frame. They added one more in the third and two in the fourth to ice the contest.

Pitcher Sorban fanned seven men, gave up nine hits and was touched for no Annie Oakleys. His teammates blasted 12 base hits off Loser Ellison. The latter fanned 10 men and issued only one free pass.

Leading hitters for the Hardwaremen were Thirdbaseman Ambler and Centerfielder Carter who each collected three bingles in three trips. Shortstop Burrows banged out two base knocks.

MONTE SHERIDAN ELECTED PRESIDENT OF BUCS' COVE EXECUTIVE BOARD

Monte Sheridan was elected president of Buc's Cove for the 1951 summer session, at a meeting of the group last Friday evening. Others on the executive committee are Bob Dalzell, vice-president; Pat Means, secretary, and Trent Barton, treasurer.

Representatives of the various school districts who were appointed to the Buc's Cove Council are: Bob Palladino, Cambrian; Gary Swenson, Union; Marion Hardy, Almaden; Betty Bolter, Moorpark; Les Hinz, San Tomas, and Barbara Dutton, Campbell.

Director L. P. Newberry announced this week that the swimming class bus will leave the school next Monday evening at 6:30 o'clock for the Lincoln pool.

Buc's Cove will be closed next Wednesday, July 4. The recreation center at Campbell Union High School is open each week night from 7 to 10 o'clock, except Monday, when it opens at 6:30 p. m. Friday closing hour is 11 p. m.

Special events for the balance of the summer program will be planned at a meeting of the council this week. Regular dancing is scheduled for this evening.

Cambrian Scores Non-League Win

Cambrian Market's junior team scored nine runs in the first frame to coast to a 18-9 victory over Los Gatos Grammar school in a recent non-league tilt.

Cambrian jumped on the Los Gatos hurler with six walks and four knocks to score their nine runs. They added five more safety runs in the fifth, one in the sixth and then added insult to injury in the final frame with three more tallies.

Leading hitter for the winners was Centerfielder Bohn who connected for three hits in four trips. Secondbaseman Cutrell banged out two hits including a roundtripper in the fifth with one man on. Catcher Larzelere and Leftfielder Nunez also blasted two hits.

Los Gatos got to Pitcher Pierce for eight bingles and had 14 men on bases via the free pass route. Pierce struck out two men.

Leftfielder Gamble, Firstbaseman Green and Rightfielder Boggs were the leading batsmen with two hits apiece.

Seven errors by the Los Gatos fielders and 14 walks by Pitcher Hill suplemented the Cambrian 11 hit attack. Hill fanned seven batters.

Netops Drop VFW To End Veterans Four Game Streak

Netops scored five runs in the first inning, held on tight through the rest of the contest, and upset the powerful VFW ten 5-4 in a Senior league contest on Monday night.

The defeat broke a four game win streak for VFW who have had smooth sailing through most of the schedule.

Netops scored their runs in the opening spasm of eight straight hits off the slants of Pitcher Danny. With the bases loaded and nobody out Danny finally settled down and retired the next three men easily. After the opening frame he allowed only three more hits and issued no free passes.

But the damage was done and Netops held on to their lead. The VFW batsmen came to life in the third with two runs and then added two more in the following frame but to no avail. Netop Pitcher Shysler became equally effective and settled down after these two uprisings.

Shortstop Wren, Rightfielder Swanson, and Shortstop Smart collected six of the winners' 11 hits with two apiece. Each had a bingle in the big first frame.

Cabral was the big gun for the losing cause with three hits in three trips.

Shysler fanned three, walked one and allowed seven hits in registering the win. Loser Danny struck out three and issued nary a free pass.

EASTERN STARS ENJOY DANCING

Dancing was the trend of the evening when the members of the Willow Glen chapter, Eastern Star, met Monday night, June 25, in Mary Ann gardens for "Home Talent Night."

Mrs. Glen Skillrud presented two monoluges during the program after which followed a social hour.

Monday, July 9, has been set for "Family Picnic Night." Members are asked to contact Mrs. Madeline Anet regarding food to bring.

Softball Sked

Schedule of next week's games in the Junior and Senior loops is as follows:

Junior league—Tuesday, July 3, Saratoga Recreation center vs. Cambrian Market, 7:30; Los Gatos Grammar school vs. Cupertino Youth center.

Thursday, July 5, Cupertino Youth center vs. Campbell Hardware, 7:30.

Friday, July 6, Los Gatos Grammar school vs. Cambrian Market, 7:30.

Senior league—Monday, July 2, Campbell Hardware vs. VFW, 7:30; Junior Oddfellows vs. Calado, 9:00.

Friday, July 6, Netops vs. Junior Chamber of Commerce, 7:30.

RICHARD C. ANDERSON, Sacto., studying gov't. reorganization—"California's State Government stands today as a relic of former times."

COLONEL KOCH MAKES HER GETAWAY BY CHANGING CLOTHES WITH OLGA.

ROGER LINCOLN, FOLLOWING WHO HE THINKS IS COLONEL KOCH, WALKS RIGHT INTO A TRAP..

MY COMPLIMENTS, COLONEL KOCH! YOU TRAPPED ME VERY NEATLY!

SAVE THEM, MR. LINCOLN- HAD I KNOWN WHO YOU WERE *SOONER*, I'D STILL BE FREE TO MANEUVER AS CLEOME BAHREIN-AH! THERE'S HESS NOW-

ALL RIGHT, MRS. BLAKE - UP THE STAIRS- QUICKLY!

MR. LINCOLN, I ENJOYED PLAYING CAT AND MOUSE WITH YOU, BUT YOU SPOILED OUR GAME BY TRICKING ME INTO REVEALING MY TRUE IDENTITY. UNFORTUNATELY FOR YOU, I STILL HOLD THE UPPER HAND. FELIX, INTO THE ROOM WITH THEM-

YES, COLONEL!

- THE KEYS ARE GONE, COLONEL!

NEVER MIND - THERE'S NO TIME TO LOOK! I'LL STAND GUARD WHILE YOU GO UP AND PACK THE CODES -

IT'S ALL SET, CYNTHIA! AT MY SIGNAL, TURN THE SWITCH. WHEN THE FUSE BLOWS, I'LL MAKE A DASH FOR THEIR GUN! READY — NOW!

SOCK!

YOU WERE SMART ENOUGH TO TRICK ME ONCE, MR. LINCOLN, BUT I TAUGHT STUNTS LIKE THAT TO BEGINNERS, IN EUROPE...

HO! YOU HAVEN'T LOST YOUR TOUCH, COLONEL!

HURRY! - FIX THE LIGHTS - SO WE CAN PACK THE CODES AND GET OUT BEFORE ALL OUR WORK IS LOST!

WHAT HAPPENED TO ROGER?

YOU'LL FIND OUT! FELIX, TAKE THEM DOWNSTAIRS - YOU KNOW WHAT TO DO - WE CAN'T AFFORD ANY MORE TRICKS!

- WAIT, FELIX! WELL, WELL, CYNTHIA, SO YOU DID MANAGE TO INVITE THOMAS THURSTON² - GO GREET HIM AT THE DOOR, FELIX!

LIFE'S LIKE THAT

by FRED NEHER

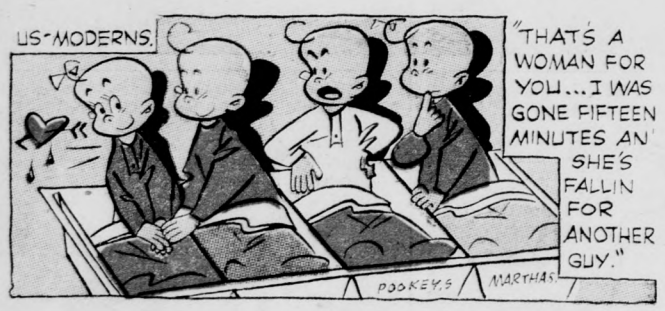
6-24-51

"....AN SO I ASKED THE SALESLADY FOR A HAT THAT WAS EXCLUSIVE!!"

"IT'S NOT NECESSARY FOR YOU TO WEAR HIP WADERS JUST BECAUSE I DROVE ONE BALL INTO THE WATER LAST WEEK!"

(Released by Consolidated News Features)

"LOOK! A CARD FROM PRIVATE JONES THAT HE'S ENJOYING HIS FURLOUGH."



"THAT'S A WOMAN FOR YOU...I WAS GONE FIFTEEN MINUTES AN SHE'S FALLIN FOR ANOTHER GUY."

"SHE'S NOT GOING INTO MARRIAGE WITH HER EYES CLOSED....THEY OPENED WIDE WHEN SHE SAW HIS BANK BOOK!"

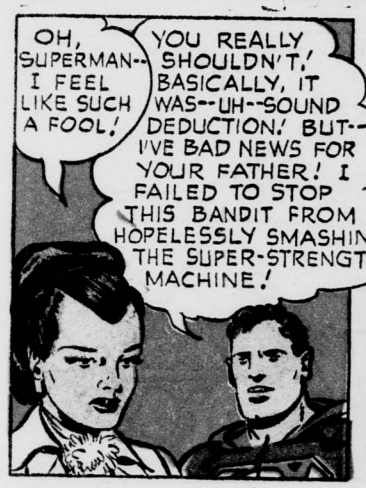
SUPERMAN

WAYNE BORING

WOW! AFTER THE BIG SHOW SUPERMAN PUT ON BATTLING THAT CROOK'S SUPER-STRENGTH, THAT GAL KNOCKS THE CROOK COLD WITH ONE SWAT OF HER UMBRELLA!
LISTEN TO HER ACCUSING SUPERMAN OF FAKING THE WHOLE THING!

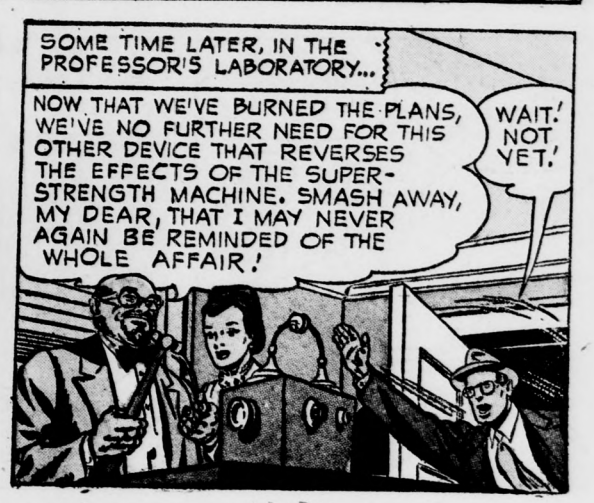
NOW, CAN YOU DENY FAKING THE SUCCESS OF DADDY'S INVENTION TO COVER UP YOUR IDENTITY AS CLARK KENT? WHY-- DADDY!
MINERVA-- YOU'RE WRONG! I WAS A BLOCK AWAY WHEN THIS BANDIT SEIZED YOU. THE REASON HE FELL UNDER YOUR BLOW--

-- WAS BECAUSE I TURNED THIS DEVICE ON HIM.! YES-- IT REPRESENTS MY SOLUTION FOR REVERSING THE EFFECTS OF MY SUPER-STRENGTH MACHINE.!
HUH? WHAT CRAZY LUCK! THIS IS THE SECOND TIME AN INVENTION OF THE PROFESSOR'S HAS SAVED MY IDENTITY!



OH, SUPERMAN-- I FEEL LIKE SUCH A FOOL!
YOU REALLY SHOULDN'T. BASICALLY, IT WAS--UH--SOUND DEDUCTION! BUT-- I'VE BAD NEWS FOR YOUR FATHER! I FAILED TO STOP THIS BANDIT FROM HOPELESSLY SMASHING THE SUPER-STRENGTH MACHINE!

SPLENDID! HE'S SAVED ME THE TROUBLE! FOR CLEARLY IT'S BEEN MORE OF A DANGER THAN A BLESSING! I SHALL PROCEED TO DESTROY ALL PLANS RELATING TO IT AT ONCE! COME, MINERVA! WE'LL DO IT WHILE SUPERMAN'S DELIVERING THIS SCOUNDREL TO THE LAW!



SOME TIME LATER, IN THE PROFESSOR'S LABORATORY...
NOW THAT WE'VE BURNED THE PLANS, WE'VE NO FURTHER NEED FOR THIS OTHER DEVICE THAT REVERSES THE EFFECTS OF THE SUPER-STRENGTH MACHINE. SMASH AWAY, MY DEAR, THAT I MAY NEVER AGAIN BE REMINDED OF THE WHOLE AFFAIR!
WAIT.! NOT YET.!

NOT UNTIL YOU'VE USED IT TO GET RID OF THE SUPER-STRENGTH YOUR INVENTION GAVE ME! INSTEAD OF A REPORTER, MY EDITOR'S USING ME AS A TRUCK-HORSE--MOVING, LIFTING, CARRYING. I'M FED UP!

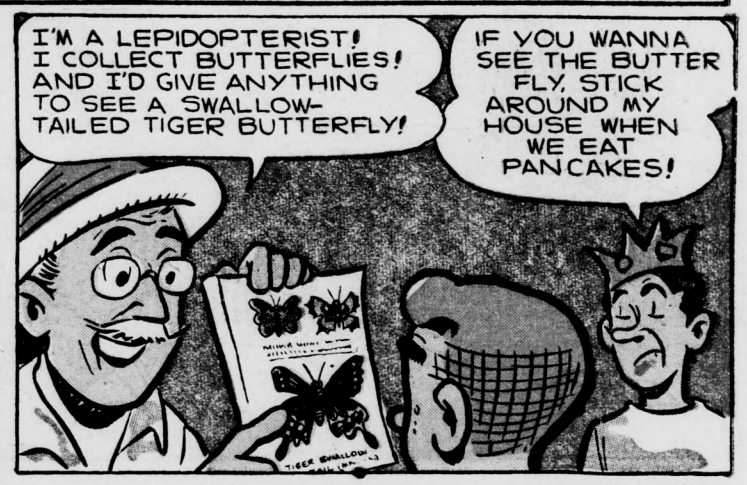
SAY NO MORE, MR. KENT. I'M DELIGHTED TO RELEASE YOU FROM YOUR THRALLDOM TO BRUTE STRENGTH!
THANKS, PROFESSOR, I'LL BE ONLY TOO GLAD TO LEND A HAND IN DESTROYING IT AFTERWARDS.
CLICK

AND SO...
ACTUALLY, MR. KENT, BEING A MUSCLE MAN DOESN'T FIT YOU. I LIKE YOU BETTER THIS WAY-- WITH JUST YOUR CHARACTER SHOWING!
AND THE CHARACTER OF MEEK CLARK KENT WOULD BE HARD TO DO WITHOUT, AS A RELIEF FROM MY HECTIC LIFE AS SUPERMAN!

Archie

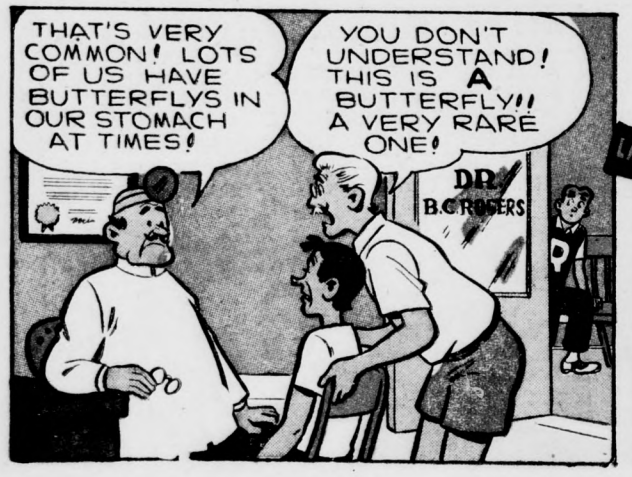
by BOB MONTANA

BOYS, WE'RE GOING HUNTING FOR SWALLOW-TAILED TIGERS!
WHAT? WITH THOSE LITTLE NETS?
ARCH! LET'S GET OUT OF HERE! HE'S FLIPPED HIS LID!



I'M A LEPIDOPTERIST! I COLLECT BUTTERFLIES! AND I'D GIVE ANYTHING TO SEE A SWALLOW-TAILED TIGER BUTTERFLY!
IF YOU WANNA SEE THE BUTTER FLY, STICK AROUND MY HOUSE WHEN WE EAT PANCAKES!

YOU MEAN THAT'S THE RARE BUTTERFLY WE'VE BEEN HUNTING FOR?
YES! IT'S WORTH A FORTUNE! I MUST HAVE IT TO COMPLETE MY FABULOUS COLLECTION!



THAT'S VERY COMMON! LOTS OF US HAVE BUTTERFLYS IN OUR STOMACH AT TIMES!
YOU DON'T UNDERSTAND! THIS IS A BUTTERFLY!! A VERY RARE ONE!

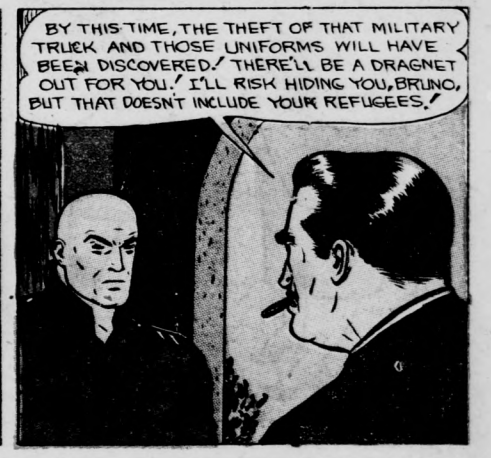
MISS FURY

BY Tarpé Mills

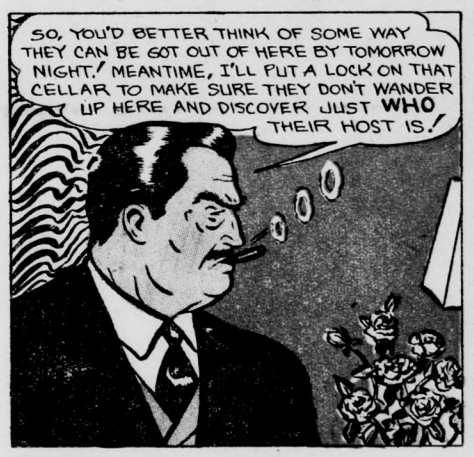
Released by The Bell Syndicate, Inc. Trade Mark Reg. U. S. Pat. Office
443.

DUMPING HALF A DOZEN REFUGEES HERE — INCLUDING TWO INVALIDS AND TWO CHILDREN YET!
THEN YOU INSTRUCT YOUR MEN TO DITCH THE TRUCK SOMEWHERE! WHY COULDN'T YOU HAVE LEFT THE PEASANTS IN IT?

I GATHER THAT ONE OF THE WOMEN IS A 'PARTICULAR FRIEND' OF YOURS, EH? IF I THOUGHT YOU WERE PLACING ME IN JEOPARDY FOR THE SAME OF SOME--



BY THIS TIME, THE THEFT OF THAT MILITARY TRUCK AND THOSE UNIFORMS WILL HAVE BEEN DISCOVERED! THERE'LL BE A DRAGNET OUT FOR YOU! I'LL RISK HIDING YOU, BRUNO, BUT THAT DOESN'T INCLUDE YOUR REFUGEES!



SO, YOU'D BETTER THINK OF SOME WAY THEY CAN BE GOT OUT OF HERE BY TOMORROW NIGHT! MEANTIME, I'LL PUT A LOCK ON THAT CELLAR TO MAKE SURE THEY DON'T WANDER UP HERE AND DISCOVER JUST WHO THEIR HOST IS!

FERENC COSMO! CAN IT BE POSSIBLE!! COSMO—A PARTY LEADER—AND YET, HE'S BEEN SECRETLY COLLABORATING WITH GENERAL BRUNO! THE HUB OF THE UNDERGROUND RESISTANCE FORCES!

THAT POULTICE HAS DONE WONDERS, ANNA! MY ANKLE IS BEGINNING TO LOOK NORMAL AGAIN!
TOMORROW ALREADY YOU YILL BE VALKING AROUNDT!

MAYBE YOU COULD ALSO HELP THAT OTHER MAN, HE CAN'T WALK BECAUSE OF A KNEE INJURY!
I DON'T BELIEF HIM! HIM I VOULDNT HELP, MISS MARLA!

BUT, ANNA, I THOUGHT HE, TOO, WAS CAPTURED TRYING TO CROSS THE BORDER?
WHO KNOWS? SOMETIMES SPIES ALSO MAKE LIKE REFUGEES—YUST SO THEY CAN TRAP THE PEOPLES WHO ARE HELPING US ESCAPE! I DON'T TROST THAT MAN!

YOUNG HIGH SCHOOL STUDENT NOW ON FOOTBALL TEAM

Delmar B. Callaway, Box 151, Church Point, Louisiana, says maybe he isn't the best football center in the country, but he'll bet his pocket-knife that there isn't a boy his age who has got the energy he has. Yes, Delmar now feels great! . . . and he says he has HADACOL to thank because his mother read how HADACOL was helping boys and girls suffering from deficiencies of Vitamins B1, B2, Niacin and Iron and decided to give it to him.

Remember, there are no substitutes for HADACOL. Always insist on the genuine HADACOL. No risk involved. Buy a bottle of HADACOL, either the trial size, $1.25, or the large family or economy size, $3.50, and if HADACOL doesn't help you, you will get your money back.

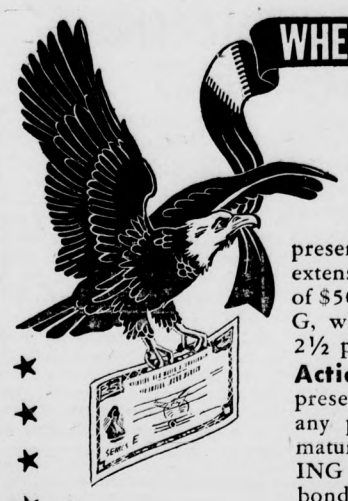
Dancing Ensemble, by Gordon Keith Studio, will be only one of the numbers on the entertainment program of the 33rd Annual Policeman's Ball, Saturday, June 30, at the Civic auditorium for the benefit of the Widows and Orphans Fund of the department.

Left to right, are Louise Wejak, Barbara Henson, Peggy Stone, and Pat Kane. Charlese Olsen, who also will appear with the group, is not pictured.

WHEN YOUR "E" BONDS MATURE



The Treasury Department offers three choices to holders of Series E, United States Defense Bonds, when their Bonds mature:

Choices: You may: *One,* accept cash, if you so desire; *Two,* continue to hold the present bond with an automatic interest-bearing extension; *Three,* exchange your bonds in amounts of $500 or multiples for a Defense Bond of Series G, which earns current income at the rate of 2½ percent payable semi-annually.

Action: If you want to obtain cash, you simply present your bond, with proper identification, to any paying agent. If you want to extend the matured bond you have ABSOLUTELY NOTHING TO DO—just continue to hold it. Extended bonds may be cashed at any time you wish. If you want a G Bond, see your bank for details.

Interest: The extended bond will earn simple interest on the face amount at the rate of 2½ percent for the first seven and one-half years. Thereafter it will be at a higher rate sufficient to provide a total return for the 10-year extension period of 2.9 percent compounded.

Taxes: You have the choice of (1) reporting E Bond interest for Federal income taxes on an annual basis or (2) paying the taxes on the interest in the year when the bonds finally mature or are redeemed. The privilege of deferring taxes does not apply if the E Bond is exchanged for a G Bond.

BUY *and hold* U. S. DEFENSE BONDS • BUY *and hold* U. S. DEFENSE BONDS

Adventist Conclave Motion Picture To Be Shown Here

"Mid-Century General Conference," a sound color motion picture dramatically portraying the world-wide influence of Seventh-day Adventists, will be shown this Friday night, June 29, at 8 o'clock at the Seventh-day Adventist church, corner of Fourth and Rincon Streets, in Campbell.

"The public is invited to see this new film which has captured all the drama of the denomination's world conference held recently at San Francisco," declared Robert E. Osborn, of San Jose, local conference secretary-treasurer, who will release the film under the auspices of the young people's Missionary Volunteer Society this Friday evening.

Produced by the public relations department of the Pacific Union Conference, the motion picture tells a simple, true story of two young delegates, Barbara and Paul, who are convinced that real happiness comes from serving God.

Although the setting for the motion picture is the San Francisco conference, the story goes far beyond this in depicting the scope of one of the world's most unusual religious organizations. Animation graphically portrays the many phases of Adventism.

Some of the unforgettable scenes are those of a Solomon Islands native, descendant of a head-hunting father, who solemnly reads Scripture, the Voice of Prophecy broadcast over ABC and Mutual networks, a ride with delegates on San Francisco's quaint little cable cars, and a message from the denomination's world president. Scenes of missionaries in colorful native costumes from such remote places as Iraq and Tibet are unusually brilliant. The departure of Paul and Barbara for the Orient climaxes the film.

The public is cordially invited to enjoy this full evening feature. There is no admission charge.

INCORPORATION STRAW BALLOTS SHOW MUCH INTEREST, LIONS TOLD

Response to the current straw vote on incorporation of Campbell has been "remarkable", Realtor L. W. Harmon stated Tuesday night in an address to the Campbell Lions Club. Harmon, who is handling returns on the opinion sampling, told Lions that by Tuesday night the total tally on the much discussed straw vote was "considerably more than one-half the total vote in the May 1948 incorporation election, and they are still coming in."

Stating that approximately 3,100 ballots were mailed, Harmon said the returns are extremely significant as showing the unusual interest of the people of Campbell in this matter. "A 10 percent response in a sampling ballot is considered good," he explained, pointing out that in the 1948 vote, total ballots cast was 1114, of which 623 opposed and 491 favored incorporation.

"A number of the voters have taken the time to write comments and suggestions as to boundaries and other matters," he said. "Surprisingly, less than a half dozen have mentioned taxes. The comments run all the way from the party who wrote "Yes, yes, yes, definitely", to the other who wrote "No, no, no," in big letters and, without signing his or her name, the words "my business"; however, most of the comments and suggestions have been serious and to the point, whether pro or con."

"OF, BY THE PEOPLE"

Facts and figures on proposed incorporation boundaries, taxes and other details will be worked out by committees of the people, the speaker told club members, "the committees being appointed by proposed mass meetings of the people. In other words, I feel, and I am sure that everyone connected with this movement feels that this time it should be of the people, by the people and for the people."

Harmon brought up the question of assessment basis for taxing of orchard land, commenting that "some method of taxing such land on an orchard land basis, as the country does, should be worked out, rather than as city or subdivision property. In like manner all the details should be worked out and presented to the people for their study and decision. "Personally," he added, "I have always been a firm believer in self government at the lowest possible level. The closer we are to our elected representatives the more responsive they are to our will".

He cited action of the County Supervisors on request of Campbell for police assistance. "One of our county supervisors was quoted as chiding a brother supervisor regarding proposed police help for Campbell, reminding him that he was elected to represent 327,000 people in the county of Santa Clara rather than the special interest of the people of Campbell.

"There you have it", said Harmon. "We pay most of the necessary taxes anyway, why not govern ourselves?"

FACT FINDERS

The speaker told Lions that he was one of an informal committee of three from Campbell who visited recently incorporated Capitola this week to obtain data on taxes, procedure and city establishment. "They have no city tax levy," he said. "Of course their fire, police, lighting and sewer districts remain as they were, the city being a very small area, and they pay those various taxes to the districts just as we do."

Herbert M. Shadle of Campbell conferred with Morgan Hill officials, this week, said Harmon, and reported that "they were getting along fine under their new incorporated status."

Club president L. L. Dodson conducted the meeting during which Harmon answered many questions on incorporation. Lions showed an active interest in the self-government topic, and submitted queries designed to learn advantages of incorporation and the problems to be considered.

Plans for the forthcoming Lions Club charter night on July 28 were discussed. Ace Bagby was named chairman on arrangements.

Harry Lincoln, district deputy governor, was a special guest.

Next meeting will be on July 10.

'God's Cure For Worry' To Be Topic Of Baptist Pastor

"God's Cure for Worry" has been chosen as the topic for the morning worship service at 11 o'clock in the Campbell Baptist Church, 115 Sunnyside Avenue, as announced by the pastor, the Rev. Lyle E. Cushman. Special music will be provided by the choir.

In the evening Evangelistic Service at 7:30 o'clock, the topic, "Why Some Good People Will Be Lost!" has been selected. Singspiration, testimony and Bible exposition mark a worthwhile Sunday evening hour. The public is invited to all the services of the church.

Bible School meets Sunday at 9:30 a. m. with classes for all ages. Two adult Bible classes are conducted.

Wednesday Bible Study and prayer hour is at 7:30 p. m.

Friday, June 29, at 7:30 p. m., will be demonstration night for parents of Vacation Bible School children.

Saturday, June 30, at 2:30 p. m., is the Church and Sunday School picnic.

PT&T Announces Changes In Top Executive Posts

Changes in top executive positions of Pacific Telephone, effective July 1, were announced today by M. R. Sullivan, president of the company.

Glen Ireland, vice-president and general manager, of the Northern California and Nevada area, was today appointed vice-president in charge of personnel, replacing John M. Black who resigned to accept a position as operating vice-president of the Southwestern Bell Telephone Company, with headquarters at St. Louis, Missouri.

Announcement of Black's election to the latter post was made by Southwestern Bell in St. Louis Friday. He is a resident of Palo Alto and has thirty years of service with Pacific Telephone.

Prior to assuming his present position two years ago, Ireland was vice-president in charge of revenue matters. He is a resident of San Mateo and came to Pacific Telephone in 1947 from the American Telephone and Telegraph Company in New York.

H. L. Deal, general traffic manager of the Oregon area, was today elected vice-president and general manager of the Northern California and Nevada area of the company, succeeding Ireland.

Deal is well acquainted in Northern California, having served as traffic results engineer in San Francisco for two years, beginning in 1942. He is a graduate of the University of Oregon and began his telephone career as a traffic student in Portland in 1928. Typical of telephone executives, he advanced through the ranks to become traffic assistant manager at Eugene. He advanced to his present position in Portland in 1944.

ARE YOU SERVING TEA?

The best way to store tea sandwiches which you have prepared ahead of time is to place a slightly damp cloth on a tray, cover it with a piece of wax paper and then place the uncut sandwiches on it. Cover sandwiches with more wax paper and another damp cloth and chill them in the refrigerator. Cut them in desired shape before serving.

PG&E Film On Super Inch Shown Rotarians

Building of the Super Inch natural gas pipeline was reviewed in a motion picture shown for Rotary Club members Monday noon. PG&E representative Lou Russell presented the film which showed construction of the line from its dual points of origin near El Paso, Texas and in the San Juan Basin, to its termination at Milpitas at the foot of San Francisco Bay.

A guest at the meeting was Tony Cacioppo, Rotarian from Hanover, New Hampshire, who was introduced by Mario Saia, former resident of the New England city.

DUSTING ANSWER

To get dust out from behind a radiator flush with the wall, hang a wet cloth behind the radiator, attach hose and crevice tool to the blowing end of your vacuum cleaner, and blow the dirt out onto the wet cloth. Dust will stick to the wet surface until you shake it off.

Kilmartin, Administrator of the estate of the above named decedent, will sell at private sale to the highest and best bidder, subject to confirmation of the above entitled Court on or after the 16th day of July, 1951, at the hour of ten o'clock A.M. of said day, at the offices of Kirby, Pasquinelli & O'Connor, Attorneys at Law, 275 North First Street, San Jose, California, all of the right, title, interest and estate of Sarah Mitzel, deceased, in and to that certain real property hereinafter described, which said real property is described as follows, to-wit:

All that real property situate in the County of Santa Clara, State of California, described as follows, to-wit:

BEGINNING at a railroad spike in the lot line between Lots 6 and 13 of the Henderson Subdivision, which is recorded in the office of the County Recorder of the County of Santa Clara, State of California, in Book "H" of Maps, page 113, records of said County, said point of beginning being distant N. 24 degrees 54' W. 37.03 feet from a ¾" iron pipe at the angle point in said lot line, said angle point being distant N. 12 degrees 43' W. 277.05 feet from an iron bar or axel at the point of intersection of the center line of Branham Lane with said lot line, also distant S. 71 degrees 26' W. 20.99 feet from a 2" X 3" redwood stake; thence along a line parallel to the center line of Branham Lane, N. 71 degrees 26' E. 319.10 feet to a 2" X 3" redwood stake; thence along the easterly bank of the Guadalupe River N. 26 degrees 22' W. 72.26 feet to a 2" X 3" redwood stake; thence S. 71 degrees 26' W. 317.31 feet to a railroad spike in the heretofore mentioned lot line, from which a 2" X 3" redwood stake bears N. 71 degrees 26' E. 21.35 feet; thence along said lot line between Lots 6 and 13 of said Henderson Subdivision S. 24 degrees 54' E. 72.03 feet to the place of beginning and containing 0.523 acres, being a portion of that certain tract of land deeded to J. B. Fagalde by deed dated July 6, 1915 and recorded in Book 431 of Deeds, page 317, in the office of the County Recorder of the County of Santa Clara, State of California, and being a part of Lot 13 of the Henderson Subdivision, as hereinabove referred to.

That the terms and conditions of sale shall be as follows, to-wit: Cash in lawful money of the United States of America, ten per cent of the amount bid payable upon acceptance of such bid and the balance thereof upon confirmation of the sale by the above entitled Court. All taxes and Fire Insurance to be prorated at the time of delivery of the Deed.

All bids or offers for said property must be in writing and will be received at the law offices of Kirby, Pasquinelli and O'Connor, 275 North First Street, San Jose, California or may be filed in the office of the Clerk of the above entitled Court before the making of such sale.

Dated this 20th day of June, 1951.

British Speed King To Seek International Records On Utah Salt Flats In Special MG

NEW YORK, N. Y.—Driving a special British MG, the Magic Midget, Lt. Colonel A. T. (Goldie) Gardner will seek speeds of more than 200 miles per hour on the Bonneville Salt Flats in Utah on August 20, in attempting to set 12 new international land speed records. This was announced today by Clifford B. Webb, vice president of the Hambro Trading Co., of America, Inc., U. S. distributors of Nuffield cars, the MG, Morris and Riley.

Col. Gardner, famous British speed driver who at the age of 60 holds 22 international speed records, will use a supercharged standard production MG engine, T. D. model, in his streamlined Magic Midget. The twelve records he will attack are international Class F records (for cars from 100 to 1500 cc.). His chief aim will be to set a new one-hour record from a standing start, now held at 119.01 m. p. h., by obtaining a minimum speed of 140 m. p. h. In addition, Col. Gardner will attempt to better the following flying start records all made by himself in an MG—the kilometer at 204.3 m. p. h., the mile at 203.9 m. p. h. and 5 kms. at 200.6 m. p. h.

If his one-hour record try is successful, Col. Gardner should automatically break five other standing start records for the distances of 50 kms., 50 miles, 100 kms., 100 miles, and 200 miles. On a 10-mile straight stretch, he will attempt to achieve flying start records for 5 miles, 10 kms., and 10 miles. Over and above these international records Col. Gardner will set out to take a number of American records in his Utah trials.

Col. Gardner's MG car will be shipped from England on the "Queen Elizabeth" on July 21. With his crew of mechanics, Col. Gardner will arrive in New York by air on August 13. He will fly that night to Utah for a week's intensive preparations for the official record-breaking attempts on the 20th.

Col. Gardner began his career as one of Britain's "speed kings" in 1924 as a racing driver, and won many victories in this field. In 1932 in a racing crash his right leg, already broken in the first World War, was badly fractured. Only skillful surgery saved it from amputation, and his leg has remained permanently stiffened.

In 1936 Col. Gardner gave up auto racing for record breaking in smaller cars and quickly achieved world renown. He now holds 21 local, 38 national, as well as 22 international speed records. He has made nearly all of these records in the same streamlined MG, using various sized engines of six, four and two cylinders.

For raising the flying start kilometer and mile records (international Class G) to 186.6 and 186.5 m. p. h., respectively, he was awarded the Seagrave Trophy, British honor for the most outstanding performance in the fields of land, sea or air transport. In 1939 on the Dessau Autobahn in Germany, he became the first man in the world to better 200 m. p. h. in a light car. Since 1946 he has set mnay new records in the international classes H, I, F, and J on Belgian race tracks.

In World War II Col Gardner was attached to Field Marshall Mongomery's staff with 21 Army Group. He had already won in the first World War the Military Cross. For his distinguished services to British auto driving and engineering the Order of the British Empire was bestowed on him in 1950.

Pub. 6/29.

'Bloomer Girl' Opens Monday At Opera House

As cheerful and lusty and loud as ever, "Bloomer Girl" will spread her gay hoop and dashing pantaloons over the revolving stages of the San Francisco Opera House for two weeks only beginning Monday, July 2.

Heading the great company of 90 will be Dick Haymes in the star role. Top featured role Frances McCann, Olive Reeves-Smith, Mabel Taliaferro, Dooley Wilson, Robert Warwick and Bambi Linn. A special feature of this musical will be the addition of the San Francisco Ballet Company, one of the best known ballet organizations in America.

Like "Oklahoma" this musical play by E. Y. Harburg and Harold Arlen is at once operetta, comedy, drama, ballet and social commentary. The lyrics of Harburg, the Harriet Beecher Stowe of our day, have Gilbertian wit and combine smartly with Arlen's melodies. Heard also in the score are two hit ballads, "'Evelina" and "Right as the Rain," as well as "Welcome Hinges," the ringing "When the Boys Come Home" and the mischievous, even ribald, "Farmer's Daughter" and "It Was Good Enough For Grandma" who:

. . . had no voice in the gov'-ment
She only knew what love meant.

"Bloomer Girl" is the second Gene Mann musical production which Paul Posz is presenting at the Opera House. Following "Bloomer Girl" will be: Ella Logan and Albert Sharpe in "Finian's Rainbow; Anne Jeffreys in "Bittersweet;" Martha Raye and Ray Middleton in "Annie Get Your Gun."

CHRISTIAN SCIENCE LESSON-SERMON

"Christian Science" is the subject of the Lesson-Sermon to be read in all Churches of Chirst, Scientist, this Sunday, July 1. The sermon will be comprised of citations read from the Bible and from the Chirstian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy, the Discoverer and Founder of Christian Science, including the following:

Matthew 7:13, 14: "Enter ye in at the strait gate: for wide is the gate, and broad is the way, that leadeth to destruction, and many there be which go in threat: Because strait is the gate and narrow is the way, which leadeth unto life and few there be that find it."

Science and Health: "I have set forth Christian Science and its application to the treatment of disease just as I have discovered them. I have demonstrated through Mind the effects of Truth on the health, longevity, and morals of men, and I have found nothing in ancient or in modern systems on which to found my own, except the teachings and demonstrations of our great Master and the lives of prophets and apostles. The Bible has been my only authority. I have had no other guide in the straight and narrow way of Truth" (p. 126).

KRUG MEMORIAL CHAPEL
151 E. Campbell Avenue **Phone Campbell 3371**

"I have worked with many P. G. and E. customers for years. In that time I know their household rates have come down to where they're actually less today than in 1940. In the same period their use of gas and electricity has about doubled."
—H. B. Coeman, Salinas. P. G. and E. Meter Reader

"Most everything costs more except gas and electricity...*and they cost less than in 1940!*"

Most everything else is up but P. G. and E. rates—which are actually lower than in 1940. Why is this possible? First, if you're an average customer, you are using nearly twice as much gas and electricity as 10 years ago. And quantity use cuts unit delivery costs. Second, alert employees and careful management work together every day to do their job better, to improve efficiency. The savings that result are passed along to you in reduced rates.

P·G·and E·
PACIFIC GAS AND ELECTRIC COMPANY

"P. G. and E. pays $601,224.00 taxes in our county, and is our largest taxpayer. Thus low-cost gas and electricity are delivered here by a company that pays its own way."
—Walter R. Tavernetti, Monterey County Assessor

"My family's use of electricity *has* increased tremendously in the last 10 years. We've added several appliances, improved our lighting, bought a larger retrigerator and gas heater. Yet, our monthly gas and electric bill is no more than the price of a good roast for the family."
—Mrs. George Sargenti, Housewife, Salinas

SERVICE NOTES

RALPH L. MARSH

After nearly a year of operating against enemy forces in Korea, Ralph L. Marsh, seaman apprentice, USN, son of Mr. and Mrs. Ralph C. Marsh of Alice Way, Campbell, recently returned to the United States aboard the light cruiser USS Manchester.

In supporting UN ground forces in Korea, the cruiser fired the greatest number of rounds of ammunition fired by any Allied warship in the campaign. Following one attack she was credited with more than 6,000 enemy troop casualties.

During its time in the combat zone, the Manchester participated in every major UN amphibious operation as well as the Naval shore bombardments of more than a dozen coastal cities, several of which were within a few miles of the Siberian border.

M. E. HOYT

Pfc. Maurice E. Hoyt, USMC, Route 2, Box 266, Campbell, was due to arrive in San Diego Wednesday from Korea. He is a member of the First Marine Division.

WOMEN MARINE ENLISTMENTS

SAN JOSE—It was announced today by Marine Corps recruiters SSgt. J. Busby and TSgt. J. Doran that all young women graduating from high school and college at this time should submit their applications for enlistment as soon as possible.

This is of interest especially to those anticipating the July 10 class, as it is foreseen that Marine Corps enlistments for women may be suspended for at least six months.

It is suggested that girls between 18 and 30, with good moral and mental character make application now, then take their summer vacationing before donning the forest green uniform. Information is available at Room 227, Post Office building, San Jose. Phone CY5-6685.

LITTLE KNOWN STATE BENEFITS

Most veterans in Santa Clara County are aware of the major benefits provided by the State of California for them and their dependents, but there are many other benefits which may be highly important in individual cases but are known to very few persons, according to John W. Davis, veterans service officer.

"The 'Cal Vet' low interest home loan, the educational assistance program and the substantial tax exemption privilege are among those aspects of the state's system of veterans benefits which place California in the front rank of all the 48 states, Davis said, "but I have found that very few persons know, to take just one example, about the exemption from fees at state colleges or universities granted to children of certain disabled veterans."

Citing another instance, Davis said that most veterans know they are entitled to preferential credits in state civil service examinations, but few of them know they may receive absolute preference in state examinations for policemen and watchmen positions. All veterans who pass tests in those fields go to the top of the eligibility list ahead of all non-veterans, regardless of comparative scores.

Another little known "Cal-Vet" benefit is the requirement that county recorders must provide without cost any vital statistics or documents necessary in preparing a claim for federal compensation or pension for veterans or their dependents. A recently enacted law, to take effect in September, makes this provision applicable to claims for state benefits as well.

Information about all aspects of state and other benefits for veterans and their dependents is available at the Santa Clara County Veterans Service office, 215 N. 1st

Miss Hill, assistant service officer, is in Mt. View at the city hall every Tuesday morning from 10 to 12 noon, and in Palo Alto at the employment office, every Tuesday afternoon from 1:30 to 4:30 p. m.

Davis is in Morgan Hill at the city hall every Thursday from 10 a. m. to 12 noon and in Gilroy at the employment office every Thursday afternoon from 1 to 4:30 p. m.

CRACK-UPS — By Irving Roir

"Aren't you the man who wrote a book for that club which reads every month?"

I was an hungered, and ye gave me meat; I was thirsty, and ye gave me drink; I was a stranger, and ye took me in. —M. B. Eddy

LEGAL NOTICE

NOTICE TO BIDDERS

NOTICE IS HEREBY GIVEN that sealed bids will be received by the Board of Trustees of the Campbell Union High School District, Campbell, California, at the office of the clerk of said district at the Campbell Union High School, until eleven o'clock A. M. July 14, 1951 at which place and time bids will be opened, for the purchase of one school bus with the capacity of 73 high school passengers in strict accordance with the following specifications:

Gross vehicle weight 29,700 lbs., 231" wheelbase, six (6) 11.00/20 tires, 162 horsepower, 450 cu. in. engine mounted in rear, 72" headroom in body, red flasher warning lights, underfloor luggage compartment of 117 cu. ft. Complete specifications on file at the office of the District Superintendent. Delivery on or beore July 30, 1951. Bus shall be guaranteed for 1 year.

The above bus shall meet all requirements of the State of California in every respect as set forth by the State Department of Education and the California Highway Patrol, spare tire excepted.

The Board of Trustees reserves the right to reject any or all bids, to waive any irregularities, and to be the sole judge of the suitability of equipment offered.

By order of the Board of Trustees, Campbell Union High School District,
JOS. V. GOMES, Clerk
Signed Laurance J. Hill
Dated June 27, 1951
Pub. June 29, July 6, 13, 1951

New Official Star Adopted By County Sheriff's Office

Sheriff Howard F. Hornbuckle has issued a new official badge to all Special Deputy Sheriffs. This new move has been made in order to safeguard the public; also, to curb abuse of this privilege.

New badge is a six pointed, silver faced star which is inscribed "Deputy Sheriff (Special) Santa Clara County," with number written across the face.

If a person should show a star and state he is from the sheriff's office, this should be verified by taking the number of the star and contacting the sheriff's office. Also, demand should be made to be shown his identification card.

Should a person display a star and commit an act of any kind that is unbecoming to a law-enforcement officer, his number should be taken and same reported to the sheriff's office.

Sheriff Hornbuckle states that on and after June 15, 1951, the above-described official star is the only authorized type of star to be used by special deputies.

Any person found to be in possession of any other star or badge and who represents or gives the impression that he or she is a member of the sheriff's office, shall face arrest and prosecution.

Sherif Hornbuckle advises all pesrons now holding stars or badges which state on same that they are authorized members of the Santa Clara County Sheriff's office should turn same in to the sheriff's office without delay.

Legislators Act To Tighten Loopholes In State Jobless Pay Insurance Act

By Ross Graham

Results of the just-ended session of the California State Legislature show that corrective efforts applied to unemployment insurance bills resulted in saving to the Unemployment Insurance Reserve Fund of approximately $150,000,000,000.

These savings were made possible by stopping all bills introduced to "liberalize" the Unemployment Insurance Act and the passage of three bills designed to tighten up present loopholes in the act, which, however, must be signed by Governor Earl Warren to become effective. The governor has 30 days from June 23 in which to act.

"Liberalizing" bills were supported, mostly, by the California State Federation of Labor, (AF of L) and AF of L lobbyists strenuously opposed the reform program.

The bills now before Governor Warren for signature or veto are:

AB 2502, which would curb the "lag-quarter" racket, whereby individuals have been collecting a total of 52 weeks (1 year) unemployment insurance benefits, although the Act limits unemployment insurance benefits to 26 weeks or six months. This bill would require that before a claimant could collect a second six-months' benefit on the same job, he or she must earn the minimum base earning requirement, which is $300.

AB 1715 also is before the governor. This bill will restrict the growing practice of married women voluntarily quitting a job to follow their husbands to another city, and collecting unemployment insurance benefits, although they are not thereafter in the labor market as intended by the act. The act provides that benefits should not be paid voluntary "quits" unless they quit "for good cause." The lack of a definition of this point is an article of unfinished business that should be completed at the next Legislative session.

EMPLOYMENT PROTEST

AB 676 also is before the governor. This bill gives a former employer who has discharged an individual for cause or the individual has voluntarily quit, a better chance to protect his (employer's) reserve account by better notice and seven days more time in which to file a protest. It would apply when the worker has secured a subsequent job and been laid off, in which case the worker is entitled to benefits. If the former employer protests that he should not be charged a portion of the worker's benefits on his reserve account, and the Department agrees, the employer's reserve account is not charged and his merit rating which determines the tax he pays, is thereby protected.

Many people do not know that employers pay the entire amount of unemployment insurance tax, employees paying a tax only for disability insurance.

AB 2501, which would have raised the minimum base earnings necessary for benefits from $300 to $450, was defeated in the Assembly. The minimum in the State of Washington is $600 and this bill would have accomplished a needed reform wihtout hurting any worker actually available for work.

A corrollary bill, AB 3376, applying to disability insurance only, was enacted and signed by the governor. It raised disability benefits from $25 to $30 a week and allows benefits to be paid workers on strike, provided the disability does not arise out of the strike.

LABOR RAID

Despite the fact that the unemployment insurance fund collected almost $46,000,000 during January, February, and March of this year and paid out almost $43,000,000 in unemployment insurance benefits (during the period of highest employment in California's history) labor interests sought by introducing bills in the Legislature to raid the fund of an estimated $100,000,000 a year.

One bill would have eliminated the one-week waiting period. During 1950, a total of 640,000 claims were filed and if each claimant had received pay for this necessary waiting period, the fund would have been depleted by about $100,000,000.

Another bill would have raised unemployment insurance benefits from a maximum of $25 a wek to $40 a week. This bill, had it been enacted, would have cost the fund an estimated $25,000,000 a year.

Another bill would have included agricultural workers under unemployment insurance, although due to the migratory nature of most agricultural workers in California, administrative problems would be tremendous. It was estimated that had this bill been successful, farmers hiring agricultural labor would have had to pay a 6 percent tax on their payrolls.

Another bill would have abolished the "merit rating" system for employers. This system, which rewards an employer who holds a steady work force with the least turn-over of workers, is regarded as a potent force in stabilizing employment. The bill also proposed to tax all employers 3.7 percent of their payrolls.

REFORM ACTION

Other bills which were defeated by the "reform" forces would have removed all disqualifications in the present act and opened the doors for raids on the fund which would have exhausted it in a few months.

During 1949, a year of high employment, the state unemployment insurance fund paid out $118,000,000 more than it collected in taxes from the employers.

During 1950, until this year the year of highest employment in California's history, the fund paid out in unemployment insurance benefits $16,000,000 more than it received in taxes.

During the first 3 months of 1951, with "'full employment" and industry begging for workers, the fund paid out in unemployment insurance benefits almost $43,000,000.

Despite the good work done during the 1951 Legislative session, it therefore is apparent the job has only begun. If the unemployment insurance fund is to be protected for the honest workers of California who honestly are out of work through no fault of their own, the fight must be carried on without cessation to curb chiseling and rackets.

Repairmen Sought By McClellan AFB

United States Civil Service Commission has announced unassembled examinations for indefinite appointments to the positions of Automotive Equipment Repairer, Grade 15; Junior Automotive Equipment Repairer, Grade 10, and Auto Steel Body Reparirer, Grade 15. The salaries for these positions range from $1.63 to $2.13 per hour.

These positions are located at McClellan Air Force Base, McClellan, California. Qualified persons are urgently needed at this time to fill existing vacancies.

The duties of these positions involve the complete overhaul and repair of various types of automotive equipment such as automobiles, trucks, tugs, tractors, etc.; and the complete rebuilding of wrecked or damaged auto and truck bodies including the manufacture and installation of sheet metal parts.

Applicants for these positions will be graded eligible or ineligible on the basis of experience as stated in their applications. No written test will be required.

Present Federal employees may apply for this examination. However, appointments will be on a non-permanent basis and will not confer a competitive civil service status. Therefore, an employee will gain no advantage by filing for an occupation in which he is now working, unless he is qualified for a higher grade or unless his appointment is specifically limited to one year or less. There is no maximum age limit; however, appointing officers will not be required to consider for appointment any person outside the regular Civil Serivce age limits of 18 to 62 years, except those entitled to veteran preference.

Further information on this examination and the necessary application forms may be obtained from the Civil Serivce window, Post Office Building, 9th and 1st Streets, Sacramento; from any first or second class post office where this announcement is posted; and from Board of U. S. Civil Service Examiners, McClellan Air Force Base, McClellan, California.

Applications will be received by the Board of U. S. Civil Service Examiners at McClellan Air Force Base, California, until further notice.

FOR CABINET EFFICIENCY

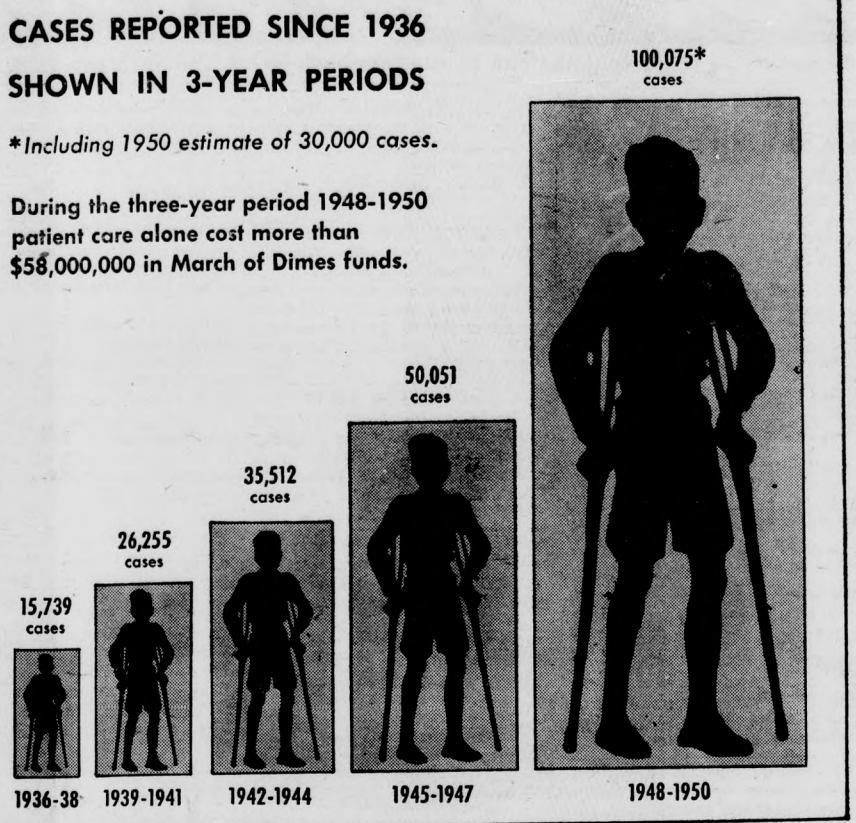
To get the best use out of your kitchen cabinets, store items at the point of their first use. Spaghetti, for instance, which needs boiling water before cooking, is more efficiently stored at the range center than at the food preparation center.

POLIO—A GROWING SHADOW

CASES REPORTED SINCE 1936 SHOWN IN 3-YEAR PERIODS

**Including 1950 estimate of 30,000 cases.*

During the three-year period 1948-1950 patient care alone cost more than $58,000,000 in March of Dimes funds.



The chart above reveals polio's ever-increasing threat to the American people and the enormous costs of patient care borne by the National Foundation for Infantile Paralysis. This year, the forward march of polio presents an especially urgent problem to the March of Dimes: the purchasing value of the dollar has shrunk to 58 cents in comparison with pre-war days, while polio cases have nearly quadrupled.

More About Incorporation

(Continued from Page 1)

supervisors to allot $100 a month to help maintain the private patrol services of Robert Locke in Campbell, stating that Locke now receives $200 monthly from Campbell merchants, but will be forced to discontinue the patrol July 1 unless additional revenue of at least $100 can be provided.

Supporting the request was Fourth District Supervisor Joseph M. McKinnin in whose district Campbell lies. Supervisor Campbell, however, opposed the allocation, stating it could be used as a club by persons who object to outlay of general county tax funds for municipal type services in unincorporated areas.

Campbell referred to the urban unincorporated areas bill in the state legislature by which the League of California Cities seeks to prohibit county provision of municipal type services, such as police and fire protection, in heavily populated unincorporated areas unless those areas pay full tax rate for the services. He explained that the bill was passed by the state assembly with a two to one majority, and the Supervisors Association barely managed to have the bill placed in an interim committee for study. "If we grant the sheriff's request," he commented, "we may be giving justification to proponents of the bill".

Siding with Supervisor Campbell was Arthur W. Brown, who said Campbell citizens receive protection from the main sheriff station in San Jose. When McKinnon charged Brown's district in Gilroy is served by a seperate sheriff substation which "isn't paying for itself", Brown asserted that Gilroy needs the substation because it is too far from the main station in San Jose.

Board Chairman William S. Pfeifle of San Jose said the request affects the entire county population of 327,000 persons, and not just the people of Campbell.

Karl Bohnett of Campbell spoke for the allocation, pointing out that repeated Campbell requests for protection by the sheriff's office have been without result.

Two Women Hurt

Two women were injured Monday in a two-car crash on Winchester Road near Campbell. Both were passengers in a car driven by John Gibeltera, 55, of 900 Park Avenue, San Jose.

The car collided with another auto driven by Mildred J. Smart, 33, of 45 Race Street. The latter driver was charged with traffic violation. Injured were Mrs. Alvara Gibeltera, 54, of the Park Avenue address, and Mary Dellacqua, 55, of 648 Delmas Avenue, San Jose.

MR. AND MRS. HAROLD DROWN, formerly of Detroit Michigan, are now residents of 483 Snyder avenue. Drown is associated with Food Machinery in San Jose.

More About C of C Membership

(Continued from Page 1)

More volunteer labor is needed to complete the operation, and financial contributions are being sought, since some of the labor and materials must be paid for.

Newest members of the Campbell organization are:

Union and Woodard district, Earl Magnani, C & M Hardware; Grace Rockafellow, Grace's Children's Wear; Manley McCulloch, Mac Market, and Thomas E. Daugherty, Daugherty Drug Store.

Cambrian Corners, Vernon James, James Rare Plant Nursery; R. B. Lindsey, Cambrian Hardware; Virgle Kitzmiller, Bavarian Gardens; Charles Rogers, Cambrian Garage; Mrs. Emma G. Sawyer, Cambrian Inn, and Henry Jewell, Jewell Realty Company.

Campbell Avenue and Winchester Road, Mrs. Winona Clark, Clark's Drug Store; Robert J. Jasmine, Jasmine Optometry; Herbert Brasch, San Jose Cigarette Service; Gilbert Krug, Krug Memorial Chapel; Elvan Hansell, Hunt's Foods, Inc.; Joesph Silva, Hunt's Foods, Inc.; Earl Canright, Earl's Barber Shop, and O. L. Tunstall, Bud's Texaco & Auto Service.

Marjorie McClivey, Campbell Theater; Robert Hicks, Ainsley Corporation; Leonard Estensen, Campbell Furniture & Appliance; Jack Marsh, Campbell Furniture & Appliance, and Dr. W. B. Morell, 273 E. Campbell.
